2-day training workshop: Towards a Healthy City

Day 1: Climate & Planning

Day 2: Climate & Public Health

Date: 18-19 January 2014

Time: 10am-5pm

Venue: The Chinese University of Hong Kong

(Please refer to the table and location map)

The 2-day workshop aims for design professionals, architects, engineers, surveyors, town planners, local researchers, postgraduates and practitioners wishing to acquire some fundamental knowledge on sustainable urban development and healthy living. Lectures will be conducted in English. No prerequisite of climate/health knowledge is required. All are welcome.
